

Model Florida Charter School Application Fillable PDF Forms Instructions

Applicants are responsible for obtaining approval from their sponsor to use the fillable PDF application documents. Additionally, applicants will need to have the Adobe Reader software installed on their computer to access the PDF forms. Adobe Reader may be downloaded from Adobe's website [here](#) for free.

Form Limitations

The fillable PDF form textboxes are not compatible with charts, graphs or images.

File Errors

All files have been verified prior to posting online. If you have difficulty viewing a PDF file, it may be due to software settings, configuration problems, download failures, or other issues. Troubleshooting information can be found within [Adobe's support knowledgebase](#) when PDF pages don't appear in the web browser window.
