

Back to School Checklist

for Parents and Students

- ✓ I will make sure I feel good before I come to school. If I have a fever of 100.4 or higher, or a cough, shortness of breath, or loss of taste or smell, or if I have been in direct contact with someone who has COVID-19, I will stay home and not go to school.
- ✓ When waiting for the bus and riding on the bus, I will practice social distancing and wear my face covering. My bus will be cleaned throughout the day and nightly.
- ✓ If I ride in a car to school, my parent or guardian will drop me off in the car rider area; parents will not be able to walk me to my classroom or to the cafeteria.
- ✓ If I ride my bike or walk to school, I will enter the school at the designated entry point with my face covering on.
- ✓ When I arrive at school, I will wear my face covering, head to a designated breakfast area if needed, and report to my classroom.
- ✓ When I am in my classroom, I will wear my face covering, practice social distancing, wash my hands frequently and use hand sanitizer throughout the day.
- ✓ When I am changing classes or going to a special area class, I will wear my face covering and practice social distancing. I will follow directional signs.
- ✓ When I am in music, band, chorus and other electives, I will practice social distancing and wear my face covering.
- ✓ I will bring a water bottle to school, as water fountains will be closed for regular use. There will be water filling stations to refill my water bottle. Water will be available to purchase.
- ✓ In the cafeteria, I will wear my face covering when waiting in line for food, and I will practice social distancing. Before picking up my food, I will use hand sanitizer. I understand every effort will be made to socially distance. I may remove my face covering while eating but will put my face covering back on before leaving the table.
- ✓ The school nurse will have a designated isolation area in the event that a child or a staff member comes to school and presents COVID-19 symptoms. Parents will be contacted to pick ill students up immediately.

All buildings and work spaces will be cleaned throughout the day and nightly
