Average Age of Students by Florida College Workforce Education Program Area

Source: FLDOE data

1 Only institutions with reported enrollments in 2010-11 are counted in this section.
2 Students may have been enrolled in more than one program. Because of the duplication, the total enrollment in this chart is larger than the Adult General Education enrollment in the previous chart.
3 Students whose race or gender is not reported in the Florida College Student Database are excluded from percentage calculations.
