<tr>
<td>Level 5</td>
<td>Presented with grade-appropriate texts encompassing a range of complexity, students will consistently be able to • use context clues to determine the meaning of an unfamiliar word; • analyze word structure (prefixes, suffixes, and root words) to determine meaning; • analyze words and phrases derived from other languages to determine meaning; and • analyze the context surrounding a word with multiple meanings to determine the correct meaning of the word.</td>
</tr>
<tr>
<td>Level 4</td>
<td>Presented with grade-appropriate texts encompassing a range of complexity, students will usually be able to • use context clues to determine the meaning of an unfamiliar word; • analyze word structure (prefixes, suffixes, and root words) to determine meaning; • analyze words and phrases derived from other languages to determine meaning; and • analyze the context surrounding a word with multiple meanings to determine the correct meaning of the word.</td>
</tr>
<tr>
<td>Level 3</td>
<td>Presented with grade-appropriate texts encompassing a range of complexity, students will generally be able to • use context clues to determine the meaning of an unfamiliar word; • analyze word structure (prefixes, suffixes, and root words) to determine meaning; • analyze words and phrases derived from other languages to determine meaning; and • analyze the context surrounding a word with multiple meanings to determine the correct meaning of the word.</td>
</tr>
</tbody>
</table>
| Level 2 | Presented with grade-appropriate texts encompassing a range of complexity, students may demonstrate limited ability to  
• use context clues to determine the meaning of an unfamiliar word;  
• analyze word structure (prefixes, suffixes, and root words) to determine meaning;  
• analyze words and phrases derived from other languages to determine meaning;  
• analyze words, phrases, and word relationships to determine meaning; and  
• analyze the context surrounding a word with multiple meanings to determine the correct meaning of the word. |
