Subject: Online MA Program in CTE at USF
Attachments: MA in CTE Info.pdf

Statewide Email to: District Career and Technical Education Directors and Technical Center Directors

Dear Colleagues:

Please see the attached document from the University of South Florida regarding USF's online MA Program in CTE.

USF is accepting applications for the Fall 2014 cohort for their online MA Degree in Career and Technical Education. The attached document contains information on admission requirements and how to apply. The MA in CTE is a two-year, 12 course internet-based program with three Saturday meetings in Tampa each year. They welcome participants from all areas of CTE at the middle school, high school, technical center and community college levels. No GRE score is required! Check out their website at <http://www.coedu.usf.edu/main/departments/ache/cte/cte.html>.

We would greatly appreciate your forwarding this to career and technical personnel who might be interested in USF's online MA Degree in CTE.

If you have any questions about this opportunity, please contact Edward Fletcher, assistant professor & MA program advisor at 813-974-0029 or ecfletcher@usf.edu.

Thank you,

Rod Duckworth
