

Dear Education Stakeholders,

The Florida Department of Education (FDOE) - in partnership with EdCredible® - has created a user-friendly online survey platform to gather input on the K-12 Civics and Government standards, and we would love your input!

To participate in the civics standards review, please visit <https://www.FloridaCivicsReview.org>. The public review period ends on August 5, 2020.

This review is a result of House Bill 807 signed by Governor DeSantis in June 2019 that required the FDOE to conduct a complete review of the statewide civics education standards by December 31, 2020. The department strives to prepare students to become civically engaged and knowledgeable adults who make positive contributions to their communities. We encourage you to provide feedback on the K-12 Civics and Government Standards.

For more information about the review, contact Michael.DiPierro@fldoe.org.
