### Scoring Update

Answer sheets from testing dates through February 9, 2013, have been scanned and results shipped to testing centers. If you are waiting on results for students from testing prior to this date, it is probable that a staging error has occurred for that student. Chief Examiners should review the error report from the scoring system that is e-mailed and sent with the batch transcript and diploma packets. If there is an issue, please contact Dan Richardson at 850-245-0449. When submitting inquiries about scoring, please include your testing center ID in any written communication.

For your monthly scoring invoices, please be sure you look at the statement of charges to ensure that the correct payment amount is being sent. This statement reflects adjustments as a result of any scoring credits received by your testing center. Contact Kathy Almand at 850-245-9462 if you have questions about charges on your invoice.

- 0 individuals were tested on a duplicate test form

If you see items listed on the scoring invoice under the description identified as "DTF - Duplicate Test Form" or "DAE - Diploma Already Exist" or "DST - Duplicate Spanish Test", and "UAT- Under Age Tester", please remember to look for two sets of detail data that should be submitted to your Accounts Payable section with the Invoice.

### REMINDERS:

#### Testers with Out-of-State GED Scores

When a candidate has taken the GED tests out-of-state and is retesting at your site, you must:

- Send the candidate's **official transcript/official score report** with the transmittal to the scoring office.
- Notate on the transmittal that you have included an official transcript for the candidate.
- Send a completed demographic form for the candidate

The out-of-state scores will be combined with the scores earned at your site.

If you have any questions about submission, please contact Dan Richardson, [Dan.Richardson@fldoe.org](mailto:Dan.Richardson@fldoe.org) or 850-245-0449.

#### Submission of Tests to Scoring Office

The Transmittal Form and Procedures for Submission of Testing Materials can be downloaded from our Website: <http://ged.fldoe.org/forms.asp>. Please make sure to use the new transmittal form and procedures when submitting your GED tests for Scoring. Here are a few things that we would like you to pay close

attention to:

- Demographic forms must have spines removed.
- Copies of essays are no longer submitted.
- Essay transmittal form is no longer used.
- Out-of-state transcripts submitted for conversion must be official.
- Candidate names must be listed alphabetically on the transmittal form.

If you have any questions about how to package your tests for submission, please contact Diane Vaccari.

### **GED AccessPoint – Username and Password**

The GED AccessPoint web address is <https://access.gedtest.org/Art>. The user name for accessing GED AccessPoint is your 10-digit testing center number (ex. 3000120XXX). The password was set locally by you. If you have been locked out of the system or do not remember your password, you may reset the password in the system. If you have questions, please contact Diane Vaccari.

### **User Names and Passwords for Accessing State GED Database: <https://ged.fldoe.org/login.asp>**

All requests for user names and passwords to this system must be submitted by the Chief Examiner only. Access is limited to staff members involved in GED Testing at the testing centers. Instructional staff members are not permitted access to this system.

**The Chief Examiner may NOT share their user name and password with other staff members.** A request should be made for other GED personnel who require access to the database as part of their job duties. The Florida GED Testing Office is maintaining a list of all staff members who have been provided access. The Chief Examiner should maintain this information as well. Please contact Diane Vaccari if you have any questions.

### **Essays Submitted for Scoring**

Please remind testers to write only on the lines provided on the essay answer sheet. Many of the essays we receive have writing into the margins where the timing marks are located on the forms and will not scan properly. Your examiners and proctors should monitor during the test to ensure that candidates are writing their essay within the appropriate section of the answer sheet. If you have any questions, contact Diane Vaccari.

### **Lending Library Requests**

This is a reminder on the process for requesting testing materials from the

lending library. The Chief Examiner must e-mail to the following address to request item(s): [GEDLendingLibrary@fldoe.org](mailto:GEDLendingLibrary@fldoe.org).

Testing centers that check out materials from the lending library are responsible for ensuring materials are not damaged by test takers. Materials should be examined and stray marks removed prior to returning materials to the GED Testing Office. If markings are severe to the point where the battery cannot be re-used, the testing center will be charged \$200 to replace the testing battery.

If you have lending library materials, you must ship them back securely to the Florida Testing Office immediately after their use. **If a testing center fails to return materials in a timely manner consistently, then the testing center will be responsible for purchasing the alternative format of the test for their candidates.** Please plan the use of these materials appropriately and in a way that does not disadvantage other testing centers that are waiting to receive them.

### **Using Your Testing Center Number to Communicate**

If you have to communicate with GEDTS via email or the Florida GED office, please remember to provide your 10-digit testing center number to process or research any requests.
