Message from the GED Administrator[™]

Florida is gearing up for only 9 more months of GED[®] testing on the current exam. As a reminder of the volume of test takers that are expected, I want to share an article from 2001 about the previous transition to a new exam. See the following link to access this article:

http://www.sptimes.com/News/092801/news_pf/TampaBay/Some_try_to_a_void_GED.shtml. This should serve a reminder of the challenges you will be facing as you plan your final paper-based testing schedule. Please consider the needs of your local community as you work on your final testing schedule through the end of 2013. We will be working with centers who need additional paper booklets to ensure adequate access. As always, if you have any questions on the GED[®] testing transition or any other topic, please contact me at Tara.Goodman@fldoe.org.

IMPORTANT NOTICE TO ACTIVE GED[®] CBT SITES ABOUT STOPPING A TEST

Please take note that on a few occasions, CBT scores have been invalidated and testers had to take the subtests again at no fault of their own. The invalidations have been due to the test administrator

(TA) ending the testing session prior to the tester completing all subtests they had originally scheduled in that particular appointment (Example: Re-tester had an appointment for two sessions and decided to skip the second test because the scores on the first test were sufficient to pass). Even though the testers had the printed unofficial results, the scores were not transmitted to the center server and the tests had to be rescheduled. Pearson VUE technical support has in both cases given TAs inadequate advice to how to stop the test. **Under no circumstances should the TA stop a test appointment in which a tester has completed only a portion of the subtests scheduled in that appointment. The testing appointment should be allowed to run out and *then* the TA should end the test session.**

Spanish format now available for CBT

As of March 7, 2013, the Spanish format of the GED® test is available for CBT. During the registration process, test-takers will have the ability to choose the Spanish format. This also affects the closeout campaign, because test-takers' partial scores on Spanish-language GED® tests will now expire on December 31, 2013, if they have not completed and passed all five subject tests.

Spanish format for 2014 GED® Test

The new 2014 GED® test in Spanish will be released on January 2, 2014 - at the same time as the release of the new English version of the test.

French Format Not Available for 2014 GED® Test

A French format of the GED® test will be not available in the U.S. for the 2014 GED® test. The current French format for the 2002 series will not be available after December 2013.

Pearson VUE Assistance for Large Testing Room Set-Up

GEDTS staff notified the Department that on site assistance from Pearson VUE technical support may be available for centers with large testing rooms that are opening for GED® testing this year. This technical staff would assist with the loading of software in testing labs with large numbers of computer. This service may be offered under certain conditions to facilitate the quick set-up of testing rooms once the center has been approved by Pearson VUE. When your agency reaches the approval stage with Pearson VUE, please make sure that you ask the Pearson VUE representative whether you are eligible to receive on-site set-up assistance from their staff.

REMINDER: GEDTS Second Shot Promotion

GED Testing Service is offering an opportunity to encourage the one in five Americans without a high school diploma to try the test on computer. **Through May 31, 2013** test-takers who begin their GED test on computer will receive one free retake if they fail their first test. You can find the full details of the new offer by visiting www.GEDtestingservice.com/secondshot. Please read the terms and conditions carefully.

Scoring Update

Answer sheets from testing dates through March 9, 2013, have been scanned and results shipped to testing centers. If you are waiting on results for students from testing prior to this date, it is probable that a staging error has occurred for that student. Chief Examiners should review the error report from the scoring system that is e-mailed and sent with the batch transcript and diploma packets. If there is an issue, please contact Dan Richardson at 850-245-0449. When submitting inquiries about scoring, please include your testing center ID in any written communication.

For your monthly scoring invoices, please be sure you look at the statement of charges to ensure that the correct payment amount is being sent. This statement reflects adjustments as a result of any scoring credits received by your testing center. Contact Kathy Almand at 850-245-9462 if you have questions about charges on your invoice.

REMINDERS:

Testers with Out-of-State GED Scores

When a candidate has taken the GED tests out-of-state and is retesting at your site, you must:

- Send the candidate's **official transcript/official score report** with the transmittal to the scoring office.
- Notate on the transmittal that you have included an official transcript for the candidate.
- Send a completed demographic form for the candidate

The out-of-state scores will be combined with the scores earned at your site.

If you have any questions about submission, please contact Dan Richardson, Dan.Richardson@fldoe.org or 850-245-0449.

Submission of Tests to Scoring Office

The Transmittal Form and Procedures for Submission of Testing Materials can be downloaded from our Website: <http://ged.fldoe.org/forms.asp>. Please make sure to use the new transmittal form and procedures when submitting your GED tests for Scoring. Here are a few things that we would like you to pay close attention to:

- Demographic forms must have spines removed.
- Copies of essays are no longer submitted.
- Essay transmittal form is no longer used.
- Out-of-state transcripts submitted for conversion must be official.
- Candidate names must be listed alphabetically on the transmittal form.

If you have any questions about how to package your tests for submission, please contact Diane Vaccari.

GED AccessPoint – Username and Password

The GED AccessPoint web address is <https://access.gedtest.org/Art>. The user name for accessing GED AccessPoint is your 10-digit testing center number (ex. 3000120XXX). The password was set locally by you. If you have been locked out of the system or do not remember your password, you may reset the password in the system. If you have questions, please contact Diane Vaccari.

User Names and Passwords for Accessing State GED Database: <https://ged.fldoe.org/login.asp>

All requests for user names and passwords to this system must be submitted by the Chief Examiner only. Access is limited to staff members involved in GED Testing at the testing centers. Instructional staff members are not permitted access to this system.

The Chief Examiner may NOT share their user name and password with other staff members. A request should be made for other GED personnel who require access to the database as part of their job duties. The Florida GED Testing Office is maintaining a list of all staff members who have been provided access. The Chief Examiner should maintain this information as well. Please contact Diane Vaccari if you have any questions.

Essays Submitted for Scoring

Please remind testers to write only on the lines provided on the essay answer sheet. Many of the essays we receive have writing into the margins where the timing marks are located on the forms and will not scan properly. Your examiners and proctors should monitor during the test to ensure that candidates are writing their essay within the appropriate section of the answer sheet. If you have any questions, contact Diane Vaccari.

Lending Library Requests

This is a reminder on the process for requesting testing materials from the lending library. The Chief Examiner must e-mail to the following address to request item(s): GEDLendingLibrary@fldoe.org.

Testing centers that check out materials from the lending library are responsible for ensuring materials are not damaged by test takers. Materials should be examined and stray marks removed prior to returning materials to the GED Testing Office. If markings are severe to the point where the battery cannot be re-used, the testing center will be charged \$200 to replace the testing battery.

If you have lending library materials, you must ship them back securely to the Florida Testing Office immediately after their use. **If a testing center fails to return materials in a timely manner consistently, then the testing center will be responsible for purchasing the alternative format of the test for their candidates.** Please plan the use of these materials appropriately and in a way that does not disadvantage other testing centers that are waiting to receive them.

Using Your Testing Center Number to Communicate

If you have to communicate with GEDTS via email or the Florida GED office, please remember to provide your 10-digit testing center number to process or research any requests.
