

Florida Educators of Family and Consumer Sciences (FEFACS)

The Florida Educators of Family and Consumer Sciences (FEFACS) is a non-profit organization, and a division of Florida Association of Career and Technical Education (FACTE).

The purpose of FEFACS is...

- To provide an organization for the promotion and development of CTE Family and Consumer Sciences Education in the state of Florida
- To render services to and bring unity to its members and to collaborate with the national association
- To provide an opportunity for an exchange of ideas and materials as well as a sharing of experiences between members
- To provide representation on the board from all geographic areas of the state

- Early Childhood Development
- Fashion Design
- Fashion Merchandising
- Personal Resource Management
- Nutrition
- Nutrition Science
- Teaching Professions
- Culinary Arts

Family and Consumer Sciences (FACS) offers various disciplines spread throughout several career clusters. The following FDOE CTE middle, high and post-secondary programs are linked to Family and Consumer Science, and can directly lead to, or are included in, a career path to occupations in that field. For further information on CTE frameworks in these and other career clusters, visit <http://fldoe.org/academics/career-adult-edu/career-tech-edu/curriculum-frameworks/>.
