MEMORANDUM

TO: Florida's ACCESS for ELLs Contacts
FROM: Susie Lee
DATE: September 16, 2019
SUBJECT: **2019-20 ACCESS for ELLs Test Administrator Regional Training Workshops**

In preparation for the 2019–20 administration of the ACCESS for ELLs suite of assessments, the Florida Department of Education (FDOE) will conduct regional training workshops in eight locations. The specific dates and locations for the workshops are listed on the following page. Please complete the [registration form](#) two weeks prior to the training date.

The purpose of these workshops is to provide Test Administrators with updated information and scoring procedures for the ACCESS for ELLs administration. Representatives from FDOE will present at the workshops. Prior to the meeting, each attendee will receive an email confirmation, along with directions to the workshop site. Please note that there is no reimbursement for travel from FDOE. Agenda topics include, but are not limited to:

- 2020 ACCESS for ELLs General Information
- Test Materials and Setup
- Accessibility and Accommodations
- Managing Student Information
- Scoring Kindergarten ACCESS for ELLs
- Scoring ACCESS for ELLs Paper – Speaking

The complete agenda will be provided at the workshop. In addition to the onsite workshops, online training is available via the WIDA Secure Portal (<https://portal.wida.us/>). The online training addresses all of the scoring topics to be covered at the onsite workshops, with the exception of Florida-specific policies and procedures. Login information is required to access the online training.

If you have been asked to complete WIDA online training activities but do not believe you have a login, please contact your [District Assessment Coordinator](#). Please note that the workshops and online training do not replace the required online quiz that must be completed on the WIDA Secure Portal for Test Administrators to become certified to administer the ACCESS for ELLs suite of assessments.
