¹ On January 14, 2015, the State Board of Education established Achievement Levels for the Civics End-of-Course (EOC) Assessment. Fall 2014 Civics EOC Assessment scores were reported to students as T scores. The Fall 2014 results have been converted to the new score scale and are being provided based on the established Achievement Levels so that stakeholders and the general public are able to see what they would have been if the new score scale and Achievement Levels had been approved and implemented at that time.

² Percentages may not add to 100 due to rounding.

³ To provide meaningful results and to protect the privacy of individual students, data are not reported when the total number of students in a group is fewer than 10 or when all the students in a group are in the same category (i.e., all in the same Achievement Level or all earning "Level 3 or Above"). An asterisk (*) appears when data are suppressed.
