

Florida Mentors!

Part of the Florida Mentoring Partnership

Step 1: Sign Up!

- Complete the mentor agreement form available online at www.fldoe.org/mentoring. You can also email mentoring@fldoe.org to request a copy of the form.

Step 2: Contact Your Preferred Mentoring Organization!

- FDOE will host recruitment events to give employees an easy chance to interact and learn more about different mentoring opportunities. A list of *Florida Mentors!* partner organizations can also be found at www.fldoe.org/mentoring.

Step 3: Start Mentoring at a Local School!

- Once you sign up with a local mentoring organization, it will provide you with specific information for scheduling mentoring time with your assigned student(s). All state employees are granted one (1) hour of administrative leave to mentor each week.

The Florida Mentors! Campaign is an effort to dramatically increase the number of state employees mentoring students in local schools. Through your support we will help students build strong character and academic foundations that will last a lifetime. If you have any questions, email mentoring@fldoe.org.
