The Competencies and Skills Matrix Template Educational Leadership (Level I) Programs

Directions:

The Florida Educational Leadership Examination (FELE) is designed to measure prospective school administrators' achievement of the benchmarks established by the Florida State Board of Education as stated in <u>Rule 6A-4.00821, F.A.C.</u>, and published in the <u>Competencies and Skills Required for Certification in Educational Leadership in Florida</u>. Instructions for completing this matrix are detailed below.

- 1. Provide the title, number and prefix of the course in which the indicator is addressed. More than one course may be used to address the same indicator.
- 2. The assessment/activity used to satisfy the indicator must be described in the final column of the matrix. The description should be thorough and complete. The assessment/activity description should not only address each of these indicators through coursework, but also address how (when appropriate) the indicators are being demonstrated in field experiences.
- 3. The assessment/activity should align with the indicator. It should be clear to those reviewing the matrix that the assessment/activity completed by the educational leadership candidate will lead to the attainment of the knowledge and/or skills needed to master the indicator.

The Competencies and Skills Matrix Template		
Subtest	Course Title/Course Prefix and Number	Assessment/ Activity Description
Subtest #1: Leadership for Student Learning		
1. Knowledge of effective facilitation of positive achievement results aligned with student learning goals and state accountability measures		
 Analyze and determine appropriate school learning goals using State Board of Education adopted educational standards and district adopted curriculum.
