

Bureau of Accountability Reporting 2017-2018 VAM Calendar

(Timeline will be updated periodically and is subject to change)

October 2017

- 27th – All 2016-17 evaluations due via Survey 5 Staff Database submission for inclusion in annual legislative report.

November 2017

- 3rd – State processing for Survey 2 data ends and is pulled for the Roster Verification Tool.

December 2017

- First Week – Survey 2 Roster Verification Tool opens for districts.

January 2018

February 2018

- First Week – Survey 2 Roster Verification Tool closes.

March 2018

- 2nd – State processing for Survey 3 ends and data is pulled for the Roster Verification Tool.
- Third Week – Survey 3 Roster Verification Tool opens for districts.
- Third Week – Survey 2 Roster Verification Tool reopens for districts.

April 2018

- Second Week – Survey 2/3 match request files from 2017-18 posted to ShareFile for districts to update.
- Last Week – All districts requesting any changes from the prior year to their Survey 2/3 match conditions for VAM calculation purposes must have updated the document in ShareFile to reflect changes.
- Last Week – Roster Verification Tool closes for both Survey 2 and Survey 3.

May 2018

- Second Week – Final time Department pulls current-year Survey 2 and Survey 3 formats for VAM purposes. **Districts electing to use Survey data instead of the Roster Verification Tool data for VAM purposes must have those files finalized and submitted prior to this date.**

June 2018

- First Week – Department posts files to ShareFile with Survey 2/3 requests applied for district review.
- Second Week – Districts verify that Survey 2/3 requests were applied correctly.
- Second Week – District primary accountability coordinators for each district replies to the Department that the files were compiled accurately.

July 2018

- Department processes VAM calculations for FSA ELA grades 4-10, FSA Mathematics grades 4-8, and Algebra 1 grades 8-9.

August 2018

- First Week – Department posts VAM results for teachers to school districts via ShareFile.
