MEMORANDUM

TO: Recipients of FY 2018-2019 Carl D. Perkins Federal Career and Technical Education Funds

FROM: Rod Duckworth

DATE: September 11, 2018

SUBJECT: **Increased Funds: 2017-2018 Roll Forward Funds and 2018-2019 Florida's Increased Perkins Allocation**

This year's increase in allocated funds reflects a combination of the 2017-2018 Roll Forward funds and Florida's 2018-2019 Carl D. Perkins increased allocation. It is the intent of the Florida Department of Education to distribute the largest percentage possible to the secondary and postsecondary career and technical education programs. Therefore, in accordance with federal and state guidelines, the additional funds are being allocated using the same formulas approved by the U.S. Department of Education.

In the attachments you will find the allocation of funds for school districts, career and technical centers, and colleges. These allocation charts are also available on the web at: <http://www.fldoe.org/academics/career-adult-edu/funding-opportunities>. The amounts represent additional dollars your agency may acquire through the project amendment process. The funding period for the increased funds will be from the date we receive your amendment, in acceptable form, through June 30, 2019.

To acquire the additional funds reflected in the allocation charts, you must submit DOE 150 and 151 Budget Amendment Forms. These funds are to be treated as basic grant funds and used to enhance a current project, as well as support new initiatives, provided they are reflected in your agency's approved plan.

Please forward your completed amendment request to:

Florida Department of Education
Bureau of Grants Management
325 West Gaines Street, Room 323
Tallahassee, FL 32399-0400
