

## **Welcome, New Adult ESOL Student!**

The purpose of these classes is to help you to learn English, to find work, and to continue learning.

### **Beginning**

- Register for a class in your Adult Education School.
- Take a test of the English language.

### **Setting Goals**

- Think about your reasons for studying English.
  1. To get a job.
  2. To keep your job.
  3. To advance in your career.
  4. To study in a college or university.
  5. To communicate with neighbors and friends.
  6. To communicate with other workers at your job.
  7. To communicate with the doctor.
  8. To communicate with your child's teacher.
- Your teacher will help you plan your goals.
- You will need to
  1. Come to every class and arrive on time.
  2. Use English every day.
  3. Study hard inside and outside the class.

### **Classroom learning**

- The English classes for adults have three parts. You will study each part.
  1. English to use at work
  2. English to use in routines of daily life
  3. English for academic purposes.

### **Going Ahead**

- After you study English for a time, you will
  1. Take a test on the material you learned.
  2. Go to another course or go to a new job.
  3. Set new goals.
  4. Keep contact with the school after you leave.
