## Module 5c Principal/Coach Relationship

Clarify the Coach's Role  
Partnership Agreements

## Principal/Coach Relationship

- The principal/coach relationship is critical to the development and implementation of specific duties of the coach.
- Principals and coaches should work together to build a shared literacy vision and collaborative relationship to improve instruction and student achievement (Casey, 2006; Puig and Froelich, 2007).

# Principal/Coach Relationship

## Jigsaw Article

- “Clarify the Coach’s role”
  - See pages 1 and 6-7.
  - Everyone reads the introduction and conclusion.
- Work in groups of three:
  - Clarity
  - Communication
  - Collaboration

# Principal/Coach Partnership Agreement

Please read p. 4-5 of the “Clarify the Coach’s Role.”

Once completed, rank order (from most important to least important) each of the nine partnership agreement categories with your table group.

Share Out!

## Reflection

- What partnership agreements do you and your principal have in place?
- Based on your reading and the examples provided, how could these agreements be improved with your current administrator?
