

Celebrate Literacy Week Contest Submissions

A big thank you to all the schools and counties that participated in the 2019 Celebrate Literacy Week contest! The video in each category with the most views by Feb. 1, 2019 will win our Celebrate Literacy Week contest. Please help our schools share what literacy means to them by viewing, sharing, posting, and tweeting their submissions. Just Read, Florida! would also like to thank the Florida Lottery and the Florida Education Foundation for their support.
