

# THE FACTS ABOUT FOR-PD / CAR-PD / CATER

Earning the qualification or reading endorsement makes you eligible to keep students who need to take an intensive reading course in your CTE class!

## STEPS TO TAKE

FOR-PD Website: <http://www.forpd.ucf.edu/>

## FACTS ABOUT THE READING PROGRAMS

### **FOR-PD**

- FOR-PD must be completed before enrollment in CAR-PD.

### **CAR-PD**

- Completion of CAR-PD will make a teacher eligible to serve as a reading intervention teacher by having FCAT level 2 students who are in prime need of vocabulary and comprehension intervention in the elective course.
- Once a teacher completed the CAR-PD process, the district marks a "C" next to the 6-12 instructors # in order to track and schedule students in appropriate courses.

### **CATER**

- You must have a state issued teaching certificate to complete CATER training in order to obtain the reading endorsement on the certificate.
- Completion of the CATER training will make a teacher eligible to provide reading intervention to fluent readers at FCAT level 1.
- CATER is specially designed for CTE teachers and utilizes a method of instruction called Reading Instruction Through Strategy Enhancement (RISE). The participant will have a thorough understanding of what reading intervention can look like in a CTE course.
