Westside	Monday
	Stop and Read Around the World – The circumference of the equator is 24,901 miles. If each class reads 12 ½ minutes, the seconds that we read will equal the amount of miles around the world
	Tuesday
	Read From the World – Every class will read a book from another country and then each class will mark the country on a school displayed world map
	Wednesday
	Guest Readers – Students from older grade levels will go to the younger grade levels to read a book
	Thursday
	Culture Walk – Each grade level will set up a bulletin board in the main hallway to display what they have learned about their assigned country
	Literacy Night – Families are invited to come and visit classrooms set up by each grade level. The displays will have a variety of projects, crafts, foods, etc.; families will have passports as they travel to each country
	Friday
	Sharing Around the World – Older students will share information about their countries with the younger students
