

CELLA Communiqué #1 (2009 Edition)

Welcome to 2008-2009 CELLA! Thank you for participating in the 2008 Train-the-Trainer sessions and debrief conference calls. Your feedback and insight have influenced much of what we will be doing in 2009. You will receive more information on these changes in the upcoming 2009 communiqués.

We would like to announce some great additions to the CELLA management team:

- Lori Rodriguez was hired in September 2008 for the Chief of Academic Achievement through Language Learning (AALA) position. In her new role, she will direct the overall planning, goal setting, and policy setting for the Bureau in all ESOL programs. Ms. Rodriguez previously worked in Alachua County as an ESOL Curriculum Specialist and managed the local CELLA program.
- The ETS program management of CELLA has transitioned from Wendy Nucci to Zulma Torres. Ms. Torres has been a member of the CELLA team since 2006.

The 2009 CELLA administration is fast approaching. We will continue to use communiqués to provide important information that you will need to ensure a successful 2009 CELLA administration. This first 2009 communiqué provides contact information for the CELLA management team. Please keep this list handy.
