

School Bus Price and Ordering Guide

ITB No. 2020-16

SCHOOL BUS BID #2020-16 ORDERING INSTRUCTIONS

1. PURCHASE ORDER INFORMATION

- a. **P.O.s should be sent electronically** in pdf format to SCHTRANS@fldoe.org, or may be mailed to the address listed below.

**Florida Department of Education
School Transportation Management Section
325 West Gaines Street, Room 834, Tallahassee, Florida 32399-0400**

- b. Once your P.O. is approved by the STMS, it will be sent electronically to the vendor and copied to your school district transportation director and finance manager. **If you DO NOT receive confirmation for your order**, please contact the STMS at 850-245-9795.

2. BUS ORDERING CHECKLIST:

For all bus P.O.s, the following information must be included:

- (1) The bus vendor’s name and address and contact person
- (2) The quantity, capacity, body model number, engine type, unit price, total price and options. Bus orders of different capacity, body type, manufacturer, etc. must be placed on separate purchase orders.
- (3) Wheelchair lift location, either in front of or behind rear wheels and lift model
- (4) Local school district bus numbers
- (5) Indicate whether buses are to be delivered or picked up by the district

3. REQUIRED DELIVERY DATE

The required delivery date will be 240 days from the date the bus dealer receives the district’s Florida Department of Education (FDOE) approved P.O. and will be specified on the FDOE cover sheet that is transmitted to the bidder.

<u>BUS DEALER’S CONTACT INFORMATION</u>

APPENDIX I

VENDOR: Florida Transportation Systems, Inc.

Blue Bird / Florida Transportation Systems	
BIDDERS NOTES	
Bidder's notes from pricing pages:	
(1) Blue Bird will provide a Leece/Neville 280 AMP Brushless alterantor	
(2) For Blue Bird straight floor buses, the option price listed INCLUDES the option of air ride rear suspension and low profile tires.	
(3) Blue Bird's option for air disc brakes does NOT require the additional cost for an air ride rear suspension. They can be used independently.	
(4) In some cases, a rear underseat heater may be limited to 50K BTU due to seat size. Rear wall mounted heater is available in the additional options section.	
(5) Type C buses with gas, LPG or CNG Roush engines will be combined with the Ford 6R140 transmsion. These engines and tramissions are covered by a 5 Year, Unlimited Mileage warranty.	
(6) Type A, C and D electric buses are not compatible with underseat heaters and non-electric air conditoning systems. Specific options for these electric powertrains are listed in the	
additonal options sections.	
Warranty Credit Option: Please note that warranty credit option still offers the following base coverages at no charge for Type C&D:	
(3) Reduced warranty still provides 7 YR Unlimited Mileage Transmission Warranty (2500PTS), 5 YR/100,000 Mile Cummins warranty, 5 YR paint warranty (adhesion),	
5 YR/100,000 Mile chassis frame, body shell, school bus seat/barrier frame defects in structural integrity, 4 YR/50,000 Miles coverage on front and rear axle assemblies	
2 YR coverage on school bus passenger and driver windows, 2 YR coverage on paint gloss and color retention, 2 YR/24,000 Mile coverage on suspension and driveshaft	
All other items not listed subject to 12 Months / 12,000 Mile coverage. Ford Gas/LPG/CNG Engines/Transmission provide 5 YR Unlimited Mileage warranty as STD.	
Yellows MSI Software by Yellows Tech, Digital Monthly School Inspections	1-100 buses, \$5 month/per bus
DOE compliant, digital MSI (Monthly Safety Inspections) using mobile app and Web.	101-200 buses, \$4 month/per bus
Inspectors easily perform, manage and print MSI paper Form-IF 2017.	201-300 buses, \$3 month/per bus
Includes unlimited calendar, repair assignments, digitized Form IF 2017, mobile inspection app, search and print capabilities.	301-500 buses, \$2 month/per bus
	501 + buses, \$1 month/per bus

APPENDIX I

THOMAS / MATTHEWS BUS ALLIANCE, INC.

BIDDERS NOTES				
B7b: IMMI Child Safety Seat				
IMMI ICS seating options will reduce seating capacity in some configurations due to seat spacing and ISO latch spacing requirements.				
B18: Underseat Rear Heater Option				
Heater's location and size (40,000 BTU rear wall mount) may be only possible location for the rear heater.				
B21: Driver's Seat with Integrated Seat Belt				
This may reduce the passenger capacity due to spacing requirements.				
C4: 100 Gallon Fuel Tank				
May require option C10 (Air Ride Suspension) on some Type C configurations. 100 gallon tank may affect availability of pass thru luggage on some rear engine models. Please consult dealer. Only available on 65-77 passenger units.				
Cummins EXC Warranty includes complete engine coverage including EGR components and turbo injectors				
RIFLED AIR CONDITIONING SYSTEM INFO				
The following systems come with a 5yr limited warranty w/unlimited mileage and 270 amp alternator. Not available on Propane Engines				
RAC-BH1141	System A			
RAC-BH1122	System B			
The following systems include a 6yr warranty w/unlimited mileage and 270 amp alternator. Not available on propane engines.				
RAC-BH2241	System A			
RAC-BH2233	System B			
The following systems include a 5yr warranty from RAC/ACT. Not available on propane engines.				
RAC-EFBH12241	System A			
RAC-ACT-353	System A			
For a tie-in dash AC system on C2 29-77 passenger, there is no deduct in price and has a 5 year standard warranty. BTU rating 120,000.				
TM-43 Compressor may not be available on Detroit DD5 or CNG. Contact MBA Sales Coordinator for availability. Not available on Propane engines.				
The following system includes at 5yr warranty from Transarctic. Not available on CNG, Detroit propane engines.				
Transarctic C240	System A	Dual QP25 Compressors		
PI 8.0-LPG V8. 339HP/495 Torque, Propane Engine comes with a 270 amp alternator and MCC Air on Type C buses.				
S.T.A.R.S. Information				
*At the time of this bid opening, S.T.A.R.S. Mounting System is only available on Lift equipped buses and ONLY available in Non-Lift Buses over heater locations. However, we expect S.T.A.R.S Mounting to be available in other locations during this bid period. Thus, We will notify FLDOE and County districts when S.T.A.R.S Mounting is available in these other locations. Additional tie downs beyond the STD W/C positions must be ordered thru parts department.				
DD5 Engine HP and Torque Info Per Configuration:				
29 - 47 Passenger Units have 220HP/560 lb ft				
65 - 71 Passenger Units have 220HP/560 lb ft				
77 Passenger Units have 240HP/660 lb ft				
Vanner Revolution System w/ Electric Compressor may not be available for all Type C sizes. Must also order appropriate RAC system in addition. Includes RAC Compressor deduct. Contact Sales Coordinator for availability.

APPENDIX I

IC / SUN STATE INTERNATIONAL

BIDDERS NOTES	
MFSAB All	Base MFSAB Prices include single color white body paint and do not include 3 point belts. All MFSAB sizes and configurations require the purchase of 3 point seat belt seat options in quantities, sizes and brand matching the purchasers desired seat plan. MFSAB capacities may differ from Base "School Bus" offerings due to the requirement for 3 point belts. Purchasers are encouraged to consult with Sun State Bus centers for body plans, and quotes specific to the purchasers requirements.
Seating Options	Purchasers choosing any non-standard seating options are encouraged to contact Sun State Bus Centers to confirm compatibility. Combinations of seat type and arrangements that conflict with FMVSS or Florida Specifications will not be built. Pricing for various seat types per seat and for barriers, and KO windows has been provided to give purchasers maximum flexibility in ordering non-standard seating arrangements.
Straight Floor Option	Straight Floor Option on Type C 29-77 capacities includes Air ride rear suspension and low-pro tires.
Luggage Compartments	Compatibility and availability of luggage boxes is determined by how the vehicle is to be equipped (A/C, fuel tanks, track seating etc.) Purchasers are encouraged to contact Sun State Bus Centers to confirm compatibility prior to issuing a purchase order.
Rear Under Seat Heater	Some configurations and body plans necessitate use of a rear wall mounted heater. Purchasers are encouraged to contact Sun State Bus Centers to confirm compatibility prior to issuing a purchase order.
Spare Disc Wheel	Availability of this option is limited to one per bus purchased.
Track Seating Seats	Availability of track seating seats is limited to the quantity of seats that can be mounted in the unit ordered.
100 Gal Fuel Tank	For pricing larger fuel tanks for Gas and Propane see additional options. Selection of 100 Gal fuel tank may limit availability and compatibility of other optional equipment. Purchasers are encouraged to contact Sun State Bus Centers to confirm compatibility prior to issuing a purchase order.
Wheelchair Lift Buses	Purchasers are encouraged to contact Sun State Bus Centers to confirm wheelchair position placements and seating arrangements are compatible with other optional equipment to be ordered and provide desired seated and wheelchair capacities prior to issuing a purchase order.
A/C	Purchasers are encouraged to contact Sun State Bus Centers to confirm selected system is compatible with other optional equipment or optional A/C equipment. Propane and Gas powerd units require the purchase of Propane/Gas engine effects where applicable.
Warranty	Option for "12 Month/12,000 Only" warranty reduces the warranty coverage to the Manufacturers base standard.
Ricon Lift	Availability of Ricon Lifts remains to be determined. Pricing applies upon availability.
