**Attachments:** Fee Survey Instructions.pdf; Student Fee Survey 2011-12.xls

Importance: High

Statewide E-mail to: Technical Center Directors, Adult Education Directors (at district), and select District Career

and Technical Education Directors

## Colleagues,

As most of you are aware, on June 1, 2011, a memo was sent to the school districts regarding Workforce Education Tuition and Fees for the 2011-12 year. This memo discussed the statutory changes for tuition and fees and included the new fee ranges allowable for Career Certificates/Applied Technology Diplomas as well as Adult General Education courses. The fee memo and its related attachment are archived on the DOE website in the following location:

Memo: http://www.fldoe.org/workforce/pdf/1112WF-EdTuitionandFees.pdf

Attachment: http://www.fldoe.org/workforce/pdf/Attachment-WF-EdTuitionandFees.pdf

The attached District Postsecondary Student Fee Survey is being requested to obtain information on the fees each district will charge. The form requests information for both Resident and Non-Resident Student Fees within the program areas of Postsecondary Career Certificate/Applied Technology Diploma as well as Adult General Education. Information collected in this survey will be used to develop the 2012-13 Workforce Funding Model, as well as provide summary information to Legislative staff and Department leadership when requested.

Please note: For those districts having more than one director for Career and Technical Education or Adult Basic Education programs, please coordinate appropriately and submit only one completed form for each district.

Please use the attached instructions to assist you in completing the survey. If you have questions about reporting this information or completing the Excel spreadsheet, please contact Tara McLarnon at (850) 245-9005.

Thank you in advance for your time and effort in submitting this form electronically. Please return the attached form no later than **Friday**, **September 2**, **2011** 

Loretta.
