Section 1003.03(4), Florida Statutes, provides that certain charter schools may have a portion of their operating Class Size Reduction Allocation transferred to a fixed capital outlay account for class size reduction. Section 1013.62(2), Florida Statutes, provides that charter schools may use capital outlay funds for specific purposes.

Class size reduction requirements may be met, in part, through direct or indirect application of the following permissible uses of capital outlay funds. Please indicate your charter school's anticipated uses of capital funds and increase of student station capacity below:

- _____ 1. Purchase of real property
- _____ 2. Construction of school facilities
- _____ 3. Purchase, lease-purchase, or lease of permanent or relocatable school facilities
- _____ 4. Purchase of vehicles to transport students to and from the charter school
- _____ 5. Renovation, repair, and maintenance of school facilities that the charter school owns or is purchasing through a lease-purchase or long-term lease of 5 years or longer

_____ How many student stations are anticipated to be added due to charter school class size reduction funds transferred in 2006-2007 (if applicable)?
