

In our classroom, we say...

October 5, 2016

Over the summer, an educator from Pinellas County shared a wonderful poster she found on the [We are Teachers website](#). The phrases on this poster emphasize to students that mistakes are expected, challenges can be overcome and that with hard work and the right strategies anything is possible. It also is a great reminder that our choice of words is so important, that the language we use with our students really matters. You can download the poster [here](#).

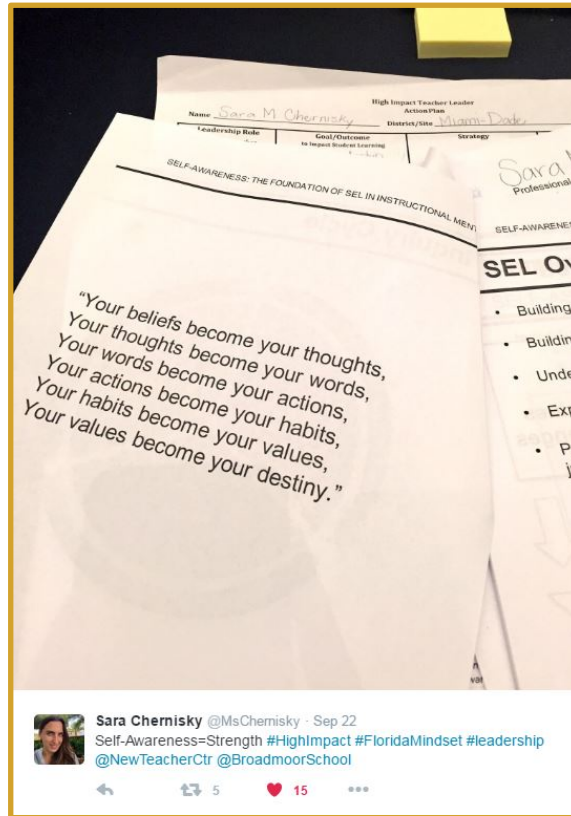

I would love for you to share with me the growth mindset resources you are using and developing in your own classrooms.

Best,

2017 Celebrate Literacy Week, Florida!

The Florida Education Foundation along with the Florida Department of Education would like to take this opportunity to thank the Florida Lottery for their support of the students and educators of Florida. Through the Florida Lottery's continued sponsorship of Celebrate Literacy Week, Florida! (CLW) students are once again experiencing the POP-UP Quiz Show, where middle school contestants compete for the school title of Literacy-Civics Champions. Schools also have the opportunity to compete for a cash prize in the CLW Literacy-Civics service project. Details are available at <http://fldoe.org/academics/standards/just-read-fl/celebrate-literacy-week/celebrate-literacy-week-fl-psa-winners/>.

During the 2015-2016 fiscal year, the Florida Lottery transferred \$1.66 billion to the Educational Enhancement Trust Fund. The Lottery's total contribution since start-up in 1988 is more than \$30 billion.

A huge THANK YOU to the Florida Lottery for your support of educators and students across our state.
