- 69% of district certificate completers in 2013-14 were employed in fall 2014

FALL 2013 AVERAGE INITIAL ANNUAL EARNINGS OF DISTRICT CAREER CERTIFICATE COMPLETERS IN SELECT PROGRAMS LINKED TO OCCUPATIONS ON THE STATEWIDE DEMAND OCCUPATIONS LIST

Source: Florida Education & Training Placement Information Program Outcomes Reports

1 Students may have been enrolled in more than one program. Because of the duplication, the total enrollment in this chart is larger than the adult general education enrollment in the previous chart.

2 Terminal Occupational Completion Points are exit points in a program from which students may exit with skills sufficient to prepare them for a specific occupation.

3 Program completers are students who have completed all of the Occupational Completion Points in a certificate program and met applicable basic skills requirements.
