_____ 1. I understand that I am responsible for notifying FDOE of any changes to the information provided in this application (e.g., staff, tests to be administered) and that not doing so may result in removal from consideration to participate in the statewide assessment program.

_____ 2. I have read and understand sections 1002.385, 1002.395, and 1002.40, F.S. (Attachment A), which outline the requirements for participation. I have also included the signature page in this application.

_____ 3. I have read, understand, and agree to the Test Security Policies and Procedures (Attachment B), the Florida Test Security Statute, and State Board of Education Test Security Rule (Attachment C). I have also included the signature pages in this application.

_____ 4. I have communicated our intent to apply to participate in Florida’s statewide assessments in 2019–20 to the staff at my school.
(4a) Describe how you have communicated this information to staff at your school. FDOE reserves the right to contact school staff to confirm this has been communicated.
Description of Communication: 

5. I have communicated our intent to apply to participate in Florida’s statewide assessments in 2019–20 to the parents/guardians at my school.

(5a) Describe how you have communicated this information to parents/guardians at your school.
Description of Communication: 

6. I have at least one FTC Scholarship student, Gardiner Scholarship student, or Hope Scholarship student who will be enrolled in my school in 2019–20.

(6a) Provide the number of FTC Scholarship students who may be enrolled in your school in 2019–20 (adjusted for graduation/promotion): 

(6b) Provide the number of Gardiner Scholarship students who may be enrolled in your school in 2019–20 (adjusted for graduation/promotion): 

(6c) Provide the number of Hope Scholarship students who may be enrolled in your school 2019–20 (adjusted for graduation/promotion): 

7. I agree that my school will comply with FDOE’s testing schedule and with the specific testing windows established by my district, as applicable. Private schools must adhere to the district’s testing deadlines. See Attachment D for the current 2019–20 statewide testing schedule.

8. I confirm that my school has an adequate number of rooms that are suitable for testing (e.g., comfortable seating, good lighting, sufficient workspace, adequate ventilation, free of distractions, an appropriate temperature). For paper-based administrations, there must be adequate space between students, and students cannot be facing each other or in seating (e.g., stadium, staggered) that allows them to easily view other students’ answers. I will follow the directions provided in the appropriate test administration manual regarding test room preparation.

9. I have reviewed the sample test administration manual (Attachment E) and understand the expectations, policies, and procedures for testing. I have also included the signature page in this application.

10. For all administrations at my school, my testing staff and I will read the appropriate manual(s) and any additional instructions from FDOE and the school district. We agree to follow all instructions.

11. If approved to participate, I confirm that the school will uphold and make students and parents/guardians aware of the following testing policies in addition to any others that may be specified in the test administration manuals:

   (11a) ELECTRONIC DEVICES POLICY: If students are found with any electronic devices during testing or during a break within a test session, their tests will be invalidated.

   (11b) LEAVING CAMPUS: If students leave campus before completing a test session (for lunch, an appointment, illness, etc.), they will not be allowed to complete that test session. If a student does not feel well on the day of testing, it may be best for the student to wait and be tested on a make-up day.

   (11c) TESTING RULES ACKNOWLEDGMENT: To help ensure test security and remind students of actions that may result in test invalidation, the test administrator reads the testing rules in the administration script at the beginning of a test session, and students then sign below a Testing Rules Acknowledgment that reads: “I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.”
___ (11d) **WORKING INDEPENDENTLY:** Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated. In addition, FDOE employs Caveon Test Security to analyze student test results to detect unusually similar answer patterns. Student tests within a school that are found to have extremely similar answer patterns will be invalidated.

___ (11e) **DISCUSSING TEST CONTENT AFTER TESTING:** The last portion of the testing rules read to students before they affirm the Testing Rules Acknowledgment reads, "Because the content of all statewide assessments is secure, you may not discuss or reveal details about the test items or passages after the test. This includes any type of electronic communication, such as texting, emailing, or posting online, for example, on Facebook, Twitter, Snapchat, or Instagram." Please make sure that students understand this policy prior to testing and remind them that “discussing” test content includes any kind of electronic communication, such as texting, emailing, or posting to blogs or social media websites, etc.

While students may not share information about secure test content after testing, this policy is not intended to prevent students from discussing their testing experiences with their parents/families.

___ 12. I agree that my school has a secure location to store test materials before, during, and after testing. This secure location must remain locked, and no more than three people may have access to the location.

(12a) Describe your school's locked storage (e.g., a locked file cabinet in the principal's office) and list the three people who have access to this locked storage.

<table>

___ 13. I understand and, if approved to participate, will ensure that all school personnel, regardless of whether they assist in the test administration, understand that the activities listed below are prohibited. Please remember that inappropriate actions by school personnel can result in student or classroom invalidations, loss of Florida teaching certification (if applicable), and/or involvement of law enforcement.

Examples of prohibited activities include, but are not limited to, the list below (initial by each):

___ (13a) reading or viewing the passages or test items before, during, or after testing
___ (13b) revealing the passages or test items
___ (13c) copying the passages or test items
___ (13d) explaining or reading the passages or test items for students
___ (13e) changing or otherwise interfering with student responses to test items
___ (13f) copying or reading student responses
___ (13g) causing achievement of schools to be inaccurately measured or reported

NOTE: If students with current Individual Education Plans (IEPs), Section 504 plans, or English Language Learner (ELL) plans have allowable accommodations documented, test administrators may provide accommodations as described in Appendix A of each test administration manual.

___ 14. I will notify the district assessment office and/or FDOE, as appropriate, of any security breach or suspected misconduct related to testing.
15. In the event of a security breach or suspected misconduct related to testing, I will comply with the school district, FDOE, and law enforcement in any investigations. An investigation may include, but is not limited to, searches and interviews at the site and access to files.

16. I understand that student results are subject to analysis and data forensics to uphold the fairness and validity of the assessment. (The assessment contractor analyzes responses for anomalies, such as an improbably high incidence of similarity among responses in a testing group, an unusual number of erasures, and substantial gains or losses between administrations.) If student scores are found to be anomalous, I understand that student scores will be withheld and will not be reported.

17. I understand that only students who regularly use certain accommodations in the classroom as part of a documented educational plan may be provided allowable accommodations on statewide assessments. (For a description of allowable accommodations on statewide assessments, refer to Attachment F.) I also understand that a limited amount of materials are available for paper-based accommodations and have entered accurate numbers in the testing chart in this application (see item 27 below). I have also included the signature page in this application.

(17a) Describe the types of accommodations offered to students at your school (e.g., extra time, flexible setting). Also include any accommodated materials, such as large print or braille documents or screen readers, that are used by students at your school who would participate in the statewide assessments.

Description of Accommodations:

18. I agree that my school will assign a staff member to serve as the school assessment coordinator. This person will be responsible for all of the following (initial by each):

   (18a) attending the district training
   (18b) complying with all district instructions
   (18c) following all district testing policies and procedures
   (18d) communicating policies and procedures to private school staff
   (18e) ensuring that students and parents/guardians are aware that the school will participate in Florida’s statewide assessments
   (18f) training educators as test administrators for each testing room
   (18g) training and assigning proctors for each testing room (proctors do not handle test materials)
   (18h) retrieving test materials from the district
   (18i) storing test materials in a secure location
   (18j) returning test materials, packaged as shown in the test administration manual, to the district per the schedule provided by the district
   (18k) following all instructions outlined in the test administration manual, provided by the district, and provided by FDOE

19. Identify the person currently proposed to serve as the school assessment coordinator in 2019–20. FDOE reserves the right to contact this person to confirm that this person is willing to serve in this capacity.

   Name and Email Address:

20. I understand that the school assessment coordinator for my school is responsible for training all school personnel who will be involved in test administration and that only employees who have received the appropriate training may handle test materials and serve as test administrators. Training requirements are specified in the School Assessment Coordinator Responsibilities Before Testing section of each test
administration manual. Training materials and resources are available on the Florida Standards Assessments (FSA) Portal (www.FSAssessments.org/resources) and on the PearsonAccess Next Florida Resource Center (http://florida.pearsonaccessnext.com/).

(20a) Provide the names and certification numbers (if applicable) of all educators who will be employed at your school in 2019–20 who may serve as test administrators.

☐ Check this box if additional educators/certification numbers are included in a separate attachment to the application.

___ 21. I agree that the required number of proctors will be assigned to the testing rooms according to the guidelines below. I understand that proctors must not handle secure test materials.

*FDOE strongly recommends that proctors be assigned to rooms with 25 or fewer students whenever possible.

___ 22. I agree that my school is aware of and will sign all of the necessary security agreements provided in Attachment G and will comply with the security measures defined therein. I have also included the signature page in this application.

Computer-Based Assessments

My school is applying to administer computer-based assessments (grades 7–10 English Language Arts [ELA], grades 7 and 8 Mathematics, and/or End-of-Course [EOC] assessments) in 2019–20. Yes ☐ No ☐

If your school is applying to administer paper-based assessments only (grades 3–6 ELA and Mathematics; grades 5 and 8 Science), skip to item 26.

___ 23. I confirm that my school has an adequate number of rooms that are suitable for testing (e.g., comfortable seating, good lighting, sufficient workspace, adequately ventilated, free of distractions, an appropriate temperature). For computer-based test administrations, sufficient workspace should be provided for students to use planning sheets, worksheets, and work folders (provided blank pages to plan writing responses, take notes, and/or work mathematics problems). Students must not be able to easily view other students' computer or device screens or materials. If necessary, you may use visual blocks (e.g., file folders taped to the sides of computer screens).
24. I agree that my school will assign a technology coordinator. Instructions will be provided for most of the tasks, but a basic knowledge of the school’s network and technology are essential. This person will be responsible for all of the following (initial by each):

- (24a) attending the district training
- (24b) complying with all district instructions
- (24c) following all district testing policies and procedures
- (24d) communicating policies and procedures to private school staff
- (24e) analyzing the school’s infrastructure to ensure it can handle computer-based testing
- (24f) ensuring that all computers meet the minimum specifications for computer-based testing
- (24g) installing the test client on each computer or on the network
- (24h) conducting an infrastructure trial
- (24i) resolving any issues that arise during testing
- (24j) following all instructions outlined in the test administration manual and technology coordinator resources provided by the district and by FDOE

25. I agree that my school has a sufficient number of computers that meet the current minimum specifications to test all students within the testing window identified by FDOE and by my district. In statement 27, please note the vendor and mode for the assessment(s) you select and confirm your computers/devices against the applicable requirements.

(25a.) Describe the ability of your school to participate in computer-based testing by providing the number of computers that meet the minimum specifications for the appropriate vendor(s) (Attachment H) and what technology preparations will be put in place to ensure a successful testing experience.

Description of Computer-Based Readiness:

Each vendor has an infrastructure trial test to ensure the school’s infrastructure can run and support the testing platform. Depending on the assessments you are applying to administer, you are required to conduct one or both infrastructure trial tests prior to testing (if accepted to the program) to verify that your network can successfully administer the computer-based test(s) specified. **School districts are not responsible for providing technical support to private schools. Private schools are responsible for verifying that they meet technical specifications and can support the testing platform(s).**

**FSA ELA, Mathematics, and EOC Assessments:**
Refer to the infrastructure trial guide and current technical requirements at http://www.fsassessments.org/technology-resources/. The infrastructure trial test also requires a secure browser, which may be downloaded at https://fsassessments.org/technology-resources/secure-browsers.stml.

**NGSSS Biology 1, Civics, and U.S. History EOC Assessments:**
Refer to the infrastructure readiness guide and current technical requirements at http://florida.pearsonaccessnext.com/technology-resources/ under “Online Testing Infrastructure Readiness.”
26. If approved to participate, I understand that I must work with the school district to receive my school’s secure test materials before testing and to return them after testing, and that this may involve retrieving materials from and returning them to a location specified by the district. Materials must be retrieved from and returned to the district in a timely manner.

27. I have identified the assessment(s) that we would like to administer at our school in 2019–20 and the projected number of participating students in column 27a in the table on the following page. I understand that testing slots are limited, and while there may be small fluctuations between these projected numbers and the actual numbers at the time of testing, any fluctuation beyond a few students in each subject must be approved by FDOE.

For each test the school plans to administer, provide the number of students who will participate in each administration in the table on the following page. Students may only participate in grade-appropriate subject tests. (For example, use this year’s grade 4 class to estimate the number of grade 5 students.) Enter “0” if your school will not offer the grade/subject assessment. Please be aware that FDOE will compare these numbers to the annual private school survey for accuracy. In addition, all schools must provide details about any paper-based accommodations required for students. If approved to participate, you will be required to provide supporting documentation demonstrating the need for the paper accommodations.

Please note that the FSA ELA Writing Assessment is one component of the FSA ELA Assessment. A school administering the FSA ELA Assessment in grades 4–10 (grade 3 does not have a Writing component) will automatically be enrolled in both the Writing and Reading components of the FSA ELA Assessment. Students MUST participate in both components to receive an FSA ELA score.

Apply to administer only those assessments that are appropriate for student populations at your school (e.g., lower grades schools should not apply to administer EOC assessments if not appropriate). If approved to participate, those assessments MUST be administered to all students in that grade level/subject at your school (e.g., if approved to administer the Grade 7 FSA ELA Assessment, ALL grade 7 students must participate in both components of the Grade 7 FSA ELA Assessment).

* Administration windows are approximate and are subject to change. The district will provide the actual administration windows for each assessment. To reduce the risk of item exposure, all schools within a district must take the same test according to the same schedule.

** In order to participate in a computer-based administration, the school must have a sufficient number of computers to test all students within the testing window. Refer to the computer-based testing specifications (Attachment H). A limited quantity of paper materials is available for eligible students with paper-based accommodations. Schools will be required to provide supporting documentation for paper-based accommodations. An insufficient number of computers does not qualify a school to order paper-based materials.
I hereby confirm that the information provided in this application is accurate. I understand that any falsification of information, non-compliance with the FTC Scholarship Program, Gardiner Scholarship Program, or the Hope Scholarship Program or failure to meet the established deadlines will result in removal from consideration for approval to participate in the statewide assessment program.
