

2019-2020 Dual Enrollment Course-High School Subject Area Equivalency List

This list should not be interpreted as a complete list of the dual enrollment courses available. Current law allows for any course in the Statewide Course Numbering System (SCNS), with the exception of remedial courses and Physical Education skills courses, to be offered as dual enrollment. Three credit (or equivalent) postsecondary courses taken through dual enrollment that are not listed on this list shall be awarded at least 0.5 high school credits either as an elective or subject area credit as designated in the local dual enrollment articulation agreement. Postsecondary courses that are offered for fewer than three credits may earn less than 0.5 high school credit.

Any upper-level (3000-4999) postsecondary course that requires a course from this list that awards 1.0 high school credit as a prerequisite shall also receive 1.0 high school credit.

Course titles listed are the titles as found in the SCNS, individual postsecondary institutions may utilize alternative names.

Courses indicated as Postsecondary General Education Core Subject Area courses (GE Core), may also be applied to the General Education Core requirements for an undergraduate degree from a public postsecondary institution in Florida. Students should check with their postsecondary institution regarding these requirements.

English

Courses listed in this section shall be considered English coursework for the purposes of high school graduation requirements.

| Course Number | | | Course Title | H.S. Credit | GE Core Subject Area |
|---------------|---|-----|---|-------------|----------------------|
| AML | X | 000 | Survey of American Literature | 0.5 | |
| AML | X | 001 | Introduction to American Folklore | 0.5 | |
| AML | X | 010 | Colonial to The Civil War/Reconstruction | 1.0 | |
| AML | X | 011 | Colonial to 1875 | 1.0 | |
| AML | X | 020 | Civil War to Present | 1.0 | |
| AML | X | 021 | 1875 to Present | 1.0 | |
| AML | X | 022 | Reconstruction/1900 to Present | 1.0 | |

Practical Arts

For those career and technical secondary courses that have been identified as satisfying the fine or performing arts high school graduation requirement (s. 1003.4282(3)(e), Florida Statutes), the equivalent postsecondary CTE course will also satisfy that requirement. Each of these courses has been identified by a committee of representatives from Career and Technical Education and Fine Arts as a practical arts course that incorporates artistic content and techniques of creativity, interpretation, and imagination.

Science

High School Graduation Requirement in Science for Students Entering Grade Nine in:

2014-15 or later: 3 credits in Science, one of which must be Biology I (BI), two of which must be equally rigorous (EQ) science courses, two must have a laboratory component.

All dual enrollment science courses should satisfy the equally rigorous requirement; certain course identified on this list will satisfy the Biology I high school graduation credit. Dual enrollment science course taken **with** a corresponding laboratory will be awarded 1.0 high school science credit. Dual enrollment science courses taken **without** a laboratory component will be awarded 0.5 high school science credits. Separate lecture and lab courses may not be combined or the grades averaged for secondary transcript purposes. The lecture and lab courses must be listed separately on the student's secondary transcript with the grade(s) as assigned by the post-secondary institution.

Biology I: Dual enrollment courses in general biology identified on this list will meet the Biology I high school graduation requirement. However, courses that are a lecture-only format, and are not taken with a corresponding laboratory, are designated as Equally Rigorous and will be awarded 0.5 high school credit. *A district-determined (DD) subject area graduation code was implemented in SY 2018-19 and

thereafter, which has been applied to specific courses. Schools MUST convert the DD code to an acceptable subject area code on official student records in order for a student to receive graduation credit. For the 2018-2019 and 2019-20 school years, the only acceptable subject area codes that can be used for those courses carrying the DD graduation code will be codes BI or EQ.

Note: Two lecture-only format courses in similar numbers to those designated as Biology may satisfy the Biology I graduation requirement, students should be advised that they will still need to complete two laboratory courses.

End of Course Assessment: Students who complete their Biology I requirement through dual enrollment are not required to take the Biology I End-of-Course Assessment (EOC). However, students who choose to pursue the “Scholar” diploma designation must complete the Biology I EOC. The EOC will be used for the designation only. The content in the sequence BSC X010 and BSC X011 or BSC X007 and BSC X008 are comparable to the standards for Biology I and therefore can be used as preparation for the Biology I EOC for those students who choose to take the assessment.

Social Studies

Courses listed in this section shall be considered the specific Social Studies coursework for the purposes of high school graduation requirements as indicated.

United States History: Faculty reviewers have determined that the content in the AMH X010 and AMH X020 sequence is comparable to the standards for United States History and may be used for preparation for the End-of-Course (EOC) assessment. All other AMH courses should be reviewed by the school district and postsecondary institution to determine if the course(s) may be used as preparation of the U.S. History EOC.

Economics: Section 100.4282(3)(d), F.S., required one-half credit in economics, which must include financial literacy. The school district and postsecondary institution may determine if the postsecondary course offered through dual enrollment meets this requirement.

| Course Number | | | Course Title | H.S. Grad Code | H.S. Credit | GE Core Subject Area |
|---------------|---|-----|---|----------------|-------------|----------------------|
| AMH | X | 010 | Introductory Survey to 1877 | AH | 0.5 | |
| AMH | X | 020 | Introductory Survey Since 1877 | AH | 0.5 | Social Sciences |
| AMH | X | 041 | Survey of the American Experience I | AH | 0.5 | |
| AMH | X | 042 | Survey of Social and Cult Hist Since 1865 | AH | 0.5 | |
| POS | X | 041 | American Government 1 (GE Core) | AG | 0.5 | Social Sciences |
| POS | X | 049 | American Government | AG | 0.5 | |
| WOH | X | 001 | Survey of World Civilizations | WH | 0.5 | |
| WOH | X | 012 | World History I | WH | 0.5 | |
| WOH | X | 022 | World History II | WH | 0.5 | |
| WOH | X | 023 | Modern World History to 1815 | WH | 0.5 | |
| WOH | X | 030 | World History since 1815 | WH | 0.5 | |

Course Prefix Definitions
