

**6A-10.0315 Demonstration of Readiness for College-Level Communication and Computation.**

(1) No change.

(2) Common placement tests. Exempt and non-exempt students meeting or exceeding standard scores on any of the following tests, using the highest score in the case of multiple scores, may be enrolled in college level courses. Institutions shall accept scores on the public high school transcript as an official record of scores in addition to official score reports from the issuing entity listed in this subsection. A student who demonstrates readiness by achieving or exceeding standard test scores established herein and enrolls in a Florida College System institution within two (2) years after achieving such scores shall not be required to retest or complete developmental education at a Florida College System institution.

(3) Alternative methods to common placement tests. Pursuant to Section 1008.30, F.S., Florida College System institutions may use alternative methods in lieu of the common placement tests under subsection (2) to assess student readiness for college-level work in communication and computation. Institutions shall recognize scores and grades on alternative methods specified in paragraphs (3)(a) through (3)(c) as valid for placement purposes for a minimum of two years.

(a) No change.

(b) Performance in high school coursework. Any student who has an unweighted high school GPA of 3.0 and achieves a grade of “B” or better in any of the courses listed below shall have demonstrated readiness for college-level work. Institutions shall accept courses and grades on the public high school transcript as an official record.
