EXECUTIVE SUMMARY

Rule 6A-6.0576 specifies the procedures and timelines for implementation of an industry certification process for K-12 and postsecondary institutions and includes adoption of the annual CAPE Industry Certification Funding List for use in funding and accountability calculations.

This rule amendment will: 1) Adopt an updated CAPE Industry Certification Funding list which will impact funding calculations associated with industry certification attainment; 2) Adopt an updated Master Credentials List (MCL), new Industry certifications added to the MCL which will be added to the updated CAPE funding list; 3) Adopt the updated Form FCAPE-1: Registration of K-12 Career and Professional Academies; and 4) Clarify certification requirements for K-12 instructors.

This CAPE Industry Certification Funding List adopted in this rule is a combination of the certifications approved for secondary FEFP funding eligibility and postsecondary school district and Florida College System performance funding. The 2022-23 CAPE Industry Certification Funding list includes 525 industry certifications.
