Support and Training Services

Craig Mahew ([craig.mahew@imaginelearning.com](mailto:craig.mahew@imaginelearning.com))

Baron Reyna ([baron.reyna@imaginelearning.com](mailto:baron.reyna@imaginelearning.com))

**Teacher and Administrator Training:** Face-to-face is \$300/participant per six hour session.

**Web-Based Training:** Web-based training is included in per/child subscription costs.

**Professional Development:** ATI offers complimentary webbased training as well as fee based online training courses. ATI will work with ELC's or providers to develop a customized plan including the desired number of sessions, topics, and modalities. Customized price quotes will be based on the plan.

**Notes:** Galileo Pre-k Online license covers services related to setup, assessment, curriculum, reporting, and child/staff information, start-up services, data analysis services, unlimited technical support for all users, and application upgrades.

Cost per child is \$8.00 for an online record.

### **Tool: HighScope COR Advantage**

**Contact Information:** Child Licensing Information, [COR Advantage Florida Website](#) COR Advantage Florida contact: Kelly Bouthillette, Director of School Partnerships [kelly@kaymbu.com](mailto:kelly@kaymbu.com) 860-600-1540 ext. 207

**Professional Development:** Web-based training is included in per/child subscription costs and delivered via webinar. Self-paced, self-guided online courses are on-demand and designed to be completed at your leisure. This means that there is not a prescribed time that teachers will need to be at a computer.

**Notes:** HighScope COR Advantage license covers SaaS support system, online training, technical support, and monthly reporting.

Cost per child per 12month subscription is \$9.95

**Tool: Teaching Strategies Gold by Creative Curriculum**

Tools: GOLD® Assessment and/or The Creative Curriculum®  
by Teaching Strategies
