### Rule 6A-10.040: Basic Skills Licensure Exemption List 2023-24

In accordance with section 1004.91 Florida Statute, *A student who passes a state or national industry certification or licensure examination that is identified in State Board of Education Rule 6A-10.040 FAC and aligned to the career education program in which the student is enrolled are exempt from this section.* The following list identifies all postsecondary career certificate programs (450 clock hours or greater) active in the 2023-2024 academic year. Please note, that some postsecondary career certificate programs do not have aligned industry certifications or state/federal licensures that may be used to fulfill the Basic Skills Exit requirements and therefore, those fields under column D are blank.
