7/1/2016	Updated definition to include "related services."
10/18/2011	This is not a revision, but a correction resulting from an error made during the conversion process to the new data element format. Code 'W' was omitted from the 2011-12 element that should have carried forward from 2010-11. Thus, code 'W' is being added back to the list of exceptionalities.
