EXECUTIVE SUMMARY

Rule 6A-6.0576 specifies the procedures and timelines for implementation of an industry certification process for K-12 and postsecondary institutions and includes adoption of the annual CAPE Industry Certification Funding List for use in funding and accountability calculations.

The purpose and effect of this rule update are to: 1) Adopt an updated CAPE funding list with updated weights for new industry certifications with new articulation agreements; 2) Add new sections for implementation of the 0.3 Career and technical education pathway funding from language added to statute due to SB 240 (2023), amending (s.) 1011.64(1)(o), F.S.; 3) Clarify language in existing sections of the rule on Florida Education Finance Program (FEFP funding eligibility; 4) Adopt the Secondary Career and Technical Education Program to Industry Certification Linkage List for 2023-24; 5) Adopt the Secondary Career and Technical Education Programs and Associated Courses with Dual Enrollment Course Substitution; 6) adopt an updated FCAPE-05 CAPE Digital Tool Certificate Submission Form; 7) Adopt the new FCAPE-06 Florida Career and Professional Education Act Funding and Program Request form.
