## Free Portal for Parents

Governor DeSantis signed legislation to establish universal school choice for all Florida families.

To help empower parents to find the best educational options for their children, the Florida Department of Education has created an online portal for parents to find schools in their area.

## Getting Started

Discover the right choice for your child using the My Florida Schools online portal at [fldoe.org/myfloridaschools](https://fldoe.org/myfloridaschools).

## Need Assistance?

The Department has developed a host of tutorials and training videos to help families navigate the My Florida Schools online portal.

In Florida, you have a **choice** in your child's education.

 Discover the best choice for your family: [fldoe.org/myfloridaschools](https://fldoe.org/myfloridaschools).
