2022-23 VPK Program Year - VPK Provider Performance Metrics and Designations

The following criteria must be met to calculate a VPK Provider Performance Metric:

1. A provider must serve a minimum of four children who have completed more than 50% of the total number of instructional hours in the same

2. A provider must have data for all three components (quality score, achievement score, learning gains score).

Providers that do not meet the above criteria receive a designation of Incomplete.
