

**Florida Department of Education  
Division of Career and Adult Education  
2014 Next Generation Career and Technical Education Reading Workshop  
(NG CATER)  
April 15-16, 2014  
Saddlebrook Resort, Wesley Chapel, Florida Department of Education**

**Registration Form**

\*\*Registration will close March 10, 2014

This professional development opportunity will focus on the Comprehension Instructional Sequence (CIS) approach. CIS is a complex form of multiple-strategy instruction that promotes student development in reading comprehension, vocabulary, content-area knowledge, and critical thinking about complex texts.
