SUBJECT: Annual Equity Reports

Later today, equity officers will receive an email containing your college's personalized template for the Annual Equity Update. We apologize for the delay in providing the information to you and appreciate your prompt attention to the report.

There is a statutory deadline of May 1 for the employment equity accountability program portion only, which is Part II of the report. The remainder of the report will be due on July 3, 2023. Note that District Board of Trustee approval is required in Florida Statute for both components.

Again, we apologize to you and your staff for this delay. Thank you for your assistance and please let me know if you have any questions.

Sincerely,

Kathy
