THE FOLLOWING CHANGES ARE FOR FISCAL YEAR 2122

July 9, 2021

2021-2022 Federal/State Compensatory Project Evaluation

1. Submit a separate record during reporting period 5 for each student who participated in a Title I Targeted Assistance; Title I Local Neglected/Delinquent (Title I, Part A, Set-Aside); Title I Homeless (Title I, Part A Set-Aside) ~~in Title I schools~~; Title I/Title I Migrant; or Title III Immigrant Children and Youth education program during the school year and, if applicable, the summer session. Use School Number, Current Instruction/Service 9995 for Title I, Part A private school students, 9992 for Title I, Part C private school students, or 9993 for Title I, Part C (Migrant) students served in a home education setting. NOTE: It is not necessary to submit records for students in Title I School-wide programs.

2. TERM: To show the student participated in a program during the regular school year, use code 3 (annual). To indicate summer participation, use S (Combined Summer Session). If the student participated in both regular school year and summer school sessions, send separate records indicating the correct term.

3. FEDERAL/STATE PROJECT TYPE: The student received instructional and/or support services from a schoolwide program (SWP) which consolidates funds from Title I, Part A and Title I, Part C. This LEA must comply with the two conditional requirements under ESSA Sections 1114 and 1306(b)(4) as well as 34 CFR Parts 200.29(c)(1) and 200.86:
   a. The LEA has addressed all unique needs of migrant students attending the SWP; and
   b. The LEA has secured parent input that allowed the LEA to combine Title I, Part C funds with Title I, Part A funds.

4. Reporting FEDERAL/STATE SUBJECT AREA is required for students in Title I Targeted Assistance, Homeless (Title I, Part A, Set-Aside) ~~in Title I schools~~, and Title I Migrant only. Additionally, reporting instructional services (Subject Area) is required for students in Local Neglected or Delinquent (Title I, Part A, Set-Aside). If a student received services at more than one school during the year, send a record for each school where the student was served.

5. FEDERAL/STATE PROJECT - SUPPORT SERVICES: Up to four support service codes may be reported for students receiving Title I Basic – Part A (reported for Targeted Assistance schools only), Students who are homeless ~~(in Title I schools)~~ or Title I Migrant services. With the exception of "Z", a support service code may be used only once. If the Title I Migrant participant received any counseling services, report that service first. That is, Attendance, Guidance, Psychological Services (A), Outreach, Advocacy (O) or Social Work (S) services take priority in reporting Migrant-provided Federal/State Project – Support Services.

6. IMMIGRANT STUDENT SERVICES: Report each type of service the immigrant student received using the positional fields specified for each code. If a student did not receive the specified service use code "Z".

7. KEY FIELDS: The key fields for this format are item numbers 1, 2, 4, 5, 6, 9, 25 and 26. If a key field needs to be changed, the record must be deleted and re-submitted as an added record.

8. ERROR CODES: This field is used by the Department to report to districts the specific errors found in the record during the state edit process. This field should contain filler (spaces, blanks) when the record is transmitted to the Department.
